## THEATRICAL OFFERINGS

### POPULAR THEATER TURNED INTO FAIRYLAND FOR CABARET ARTISTS

#### Rehearsal Planned for Tonight After the Arrival of the Belated Matsonia

Messrs. Blair and Bredhoff are rapidly completing arrangements for a most successful cabaret season at the Popular theater which will be inaugurated next Saturday night when the Shanley Cabaret De Luxe makes its debut at that theater.

Ever the home of novelty in matters theatrical the Popular is gradually taking on a new appearance in honor of the arrival of the dozen feminine artists who will reach Honolulu in the S. S. Matsonia tonight. Special stage settings, elaborate and artistic, have been installed, while the first half-dozen rows of seats have been removed to make way for a number of tables that will give to the theater a metropolitan appearance and at which refreshments will be served through an arrangement with the Young hotel cafe.

Many vari-colored lights will illuminate the body of the house as well as the stage when the cabaret girls make their initial appearance; the numerous improvements that have been under way for the past several weeks having transformed the theater into a veritable fairyland.

It had been planned to commence rehearsals of the cabaret features tonight and according to the Popular management these plans will not be changed. Immediately upon the ar-

rival of the Matsonia at 10 o'clock tonight the girls will be rushed to the little Hotel street theater and will immediately commence laying out their program for Saturday night's performance.

"This is an innovation that I believe will prove a success and also will be greatly appreciated by Honoluluans," said Mr. Blair this morning, "and it is the desire of Mr. Bredhoff and myself that it be done 'right.' We are endeavoring to give the theatergoers of this city the best that is to be obtained and, feeling assured that we have done this in the picture world, are firmly convinced that the cabaret novelty will be another stride in advance in the amusement world.

"It is no easy proposition to bring such a company of artists all the way across the Pacific on a gamble but the support that has been given to the Popular theater has warranted the taking of a chance and I am of the opinion that our many friends will appreciate our efforts and respond loyally."

Commencing tomorrow night "One of Our Girls" will be the feature offering at the Popular. Hazel Dawn is featured in this film which is another Famous Player offering. Another episode of the "Perils of Pauline" will accompany the feature.

Max Figman in "The Man on the Box" will be shown for the last time tonight. This sterling comedy has made a hit and a packed house laughed itself almost into hysterics last night. The Pathe Weekly is up to the minute.

## 'PRICE OF TREACHERY' WILL BE PRESENTED AT LIBERTY THEATER

#### Lighthouse Heroine to Be Seen in Thrilling Storm Story

Beginning with matinee tomorrow and night an entirely new bill will be presented at the Ye Liberty theater to continue one week. The headliner will be "The Price of Treachery," a powerful story with the daughter of a lighthouse keeper as the heroine.

The story is one mainly of marriage life and among the thrilling scenes is a terrific storm at sea, the blowing up of a large schooner and the heroic rescue of the captain and his cook from the troublesome waters. The story told in brief as follows:

Henry, the oldest son in the Williams family, takes upon himself a crime committed by his younger brother and is driven from home by his father. He becomes captain of a schooner which founders and blows up during a heavy gale, but he and the cook are rescued in a thrilling scene by the keeper of the lighthouse and his daughter.

The younger brother had previously met the daughter. He tries to abduct her but the plan is foiled and he pays the penalty of his foolishness with his life. Henry falls in love with the girl and eventually marries her.

The third episode of "The Million Dollar Mystery" will also be commenced tomorrow.

## COLD SNAP FELT ON HAWAII WITH MERCURY AT 34

[Special Star-Bulletin Correspondence] HILLO, Jan. 31.—During the past week or so there has been a real cold snap felt in Hilo and around the hills. At the volcano on Monday night the thermometer registered 34 degrees and the cold made fires a great comfort.

At Pihonua Manager Henderson reports that his glass registered 49 the other day and that the record was kept up for several mornings. The cold snap was bracing enough for anything and the early risers of the plantation thought it was even colder than the thermometer registered.

Much snow has fallen recently on Mauna Kea and Mauna Loa and the mountain tops are clothed with a white mantle. The mountains present a beautiful sight in the morning when the sunbeams on them. Mokuawe-owe has evidently died down again as no steam or vapor can be seen from Hilo just now.

## SACRAMENTO RIVER IS IN FULL FLOOD

REDDING, Cal., Feb. 2.—The residents along the Sacramento valley are preparing to face another flood. The river is rising at the rate of a foot an hour, while one of the heaviest storms in the history of Shasta county is raging.

## ARMY DESERTER IS ARRESTED AT PAHALA, HAWAII

[Special Star-Bulletin Correspondence] HILLO, Jan. 31.—Quite an unexpected arrest was made by High Sheriff Jarrett while he was on Hawaii last week. A deserter from the United States army was discovered near Pahala, where he had rather thrust himself upon the Hawaiian community and was doing the beachcombing act to perfection. The soldier, who was only a youth, never attempted to do any work and appeared to be quite content to wander around, fishing and swimming most of the time.

For some months the young man led this kind of life and he appeared to be quite settled down to "loaf for life." The word was passed around that a hawke was quartered on the Hawaiians and some people began to wonder who the stranger was. Finally word drifted to Honolulu of the youth's determination to live without work and the authorities there mentioned the fact to High Sheriff Jarrett when he was leaving for Hilo.

Jarrett thought he would have a look at the lad and, when Pahala was reached, had the stranger brought before him. It was at once apparent that the youth fitted a photograph that the high sheriff had with him and a little questioning did the rest. The deserter owned up to leaving his regiment on Oahu and said he was ready to go back where beef was to be obtained a little more frequently than at Pahala, where his kind supporters were rather addicted to a fish diet. The deserter was taken to Honolulu and turned over to the military authorities.

## BENEVEDES IN OFFICE; IS COURT MESSENGER

Frank C. Benevedes, erstwhile candidate for city and county clerk on the Democratic ticket, went to work yesterday. He has forsaken his ambitions for a municipal office, evidently, for he now is in the employ of Uncle Sam.

Benevedes is messenger in the federal court, and from now until some time to come he will spend his time carrying out duties divided between the district attorney and marshal's office. His appointment, it is said, was largely through the wishes of Jeff McCann and Clerk A. E. Murphy.

Messenger Benevedes declined to be interviewed yesterday on politics or anything else.

An Australian force will garrison the islands in the northwest Pacific seized from Germany by Japan.

## INDIAN STORY IS TODAY'S FEATURE ON EMPIRE BILL

Depicting in startling and realistic scenes all the salient features of the great Armstrong production, "Maree the Half-Breed," a wonderful achievement in photo-plays with finished artists in the title role, will be a feature at the Empire theater this afternoon and evening.

Annette Schaeffer and Margaret Gibson have important parts in the presentation of this drama of the West. Miss Schaeffer as Maree, the half-breed Indian girl, is abused by her tribe and soon is made an outcast. She becomes a factor in the downfall of a hostile band of savages who are repulsed in their attack upon a settlement of pioneers. A thrilling battle between Indians and the soldiers from an army post closes the picture.

John Bunney, a comedian of national fame, has not lost his cunning as a laugh producer in his latest production, "Bunney's Swell Affair." Bunney is ably assisted in the success of the farce by Flora Finch.

G. M. Anderson, a universal favorite, has a congenial part in the dramatization of the story, "Little Red Ridinghood of the Hills." The picture is taken in the heart of the West. The drama does not go to the extreme. Beautiful light effects and good photography are shown. The bill will close with "A Warm Welcome," a late mainland release.

## BETTY JOHNSON IS SEEN AGAIN ON FILM

Honoluluans are renewing an old theatrical acquaintance in a unique way at the Popular theater this week. One of the leading women characters in "The Man on the Box," the film now being shown there, has been recognized as Betty Johnson, the wife of W. B. Howard, whose stock company played at the Popular several years ago.

Howard brought down one of the first stock companies that played here. He played the star roles, with his wife as leading lady. Nothing has been seen of either of them here since until a few nights ago when a man in the Popular audience recognized one of the women in the film as Mrs. Howard.

## NEWLY-BORN BABY LEFT IN FIELD BY MOTHER

[Special Star-Bulletin Correspondence] HILLO, Jan. 31.—County Attorney Beers is investigating a most distressing case of alleged child abandonment and he has about decided to put the matter up to the grand jury.

A young Portuguese girl tells a strange story of a childbirth that took place in a canfield near her home. The young mother, when brought to book after the discovery of the walling infant in the canfield, declared that she thought the child was dead and left it there.

The county attorney can hardly credit the story of the girl to the effect that the child was born without any assistance whatsoever, and that the mother walked home afterwards and said nothing about the matter to anyone. The feeble cries of the baby attracted the attention of some people who live near the canfield. They at first thought that a kitten was injured or lost in the cane. A search revealed the fact that a poor little one-day-old baby was slowly starving to death.

## TO SUGGEST JOINING LEAGUE OF CITIES

Supervisor Hollinger will take up with the board of supervisors tonight the proposal or Honolulu to join the Pacific League of Municipalities. This organization comprises as its members the various cities of the Pacific coast. It holds a convention each year to which an official from each city is invited. A journal is published and sent to members each month giving the gist of every ordinance or measure passed in the coast cities during the month preceding.
